

Get The Picture is a side bet available for different casino table games.

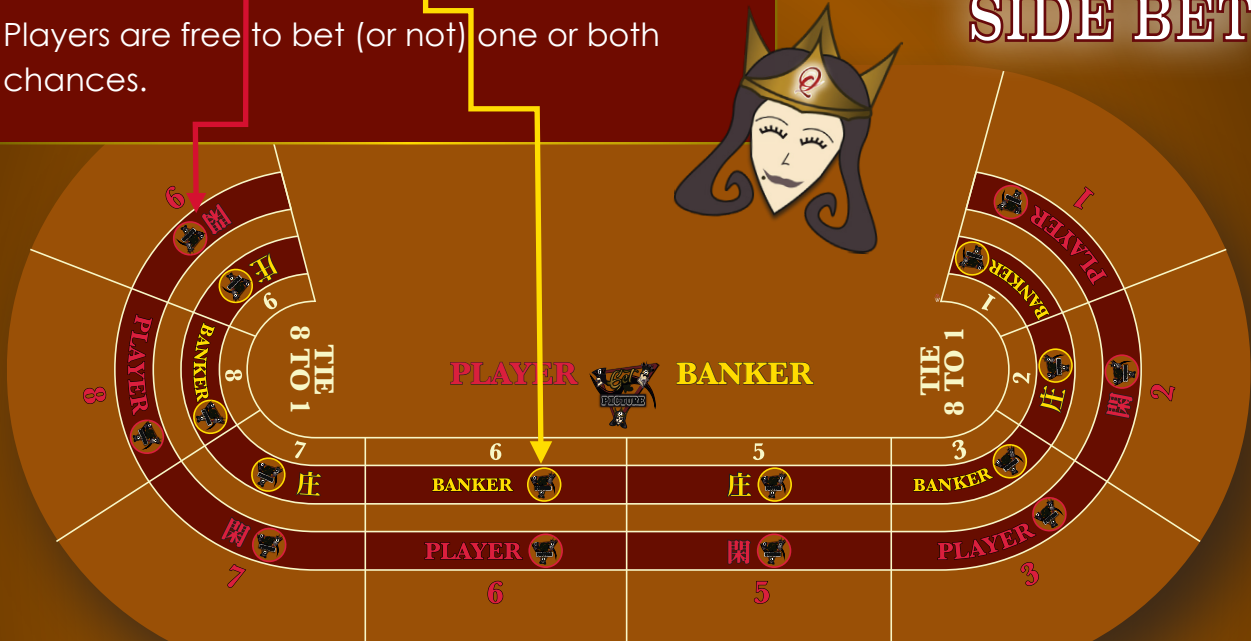

Create additional revenue and offer more excitement to your players by adding this **simple but very effective bet**.

BACCARAT SIDE BET

An additional betting spot is foreseen for each player in the Player and Banker box.

Players are free to bet (or not) one or both chances.

Players who have wagered the side bet win if the first two PLAYER or BANKER cards are two picture cards.

PAYS x12

!BONUS!

If both PUNTO and BANCO first two cards are two picture cards.

PAYS x100

Players will win up to x 200 if they have wagered both the Get the Picture PLAYER and BANKER bet!

House advantage : 7%

Advantages:

- Easy dealer handling
- Simple playing rules.
- 2 betting spots --> more bets --> more excitement.
- player's insurance against a bad hand : turns low value cards into a winning combination on the side bet.
- Renders a traditional game more sexy by adding a bonus.
- Attracts new players to your Punto Baccarat tables.
