

**Get The Picture** is a side bet available for different casino table games.

## PUNTO BANCO SIDE BET

Create additional revenue and offer more excitement to your players by adding this **simple but very effective bet**.

An additional betting spot is foreseen for each player in the **Punto** and **Banco** box.

Players are free to bet (or not) one or both chances.

Players who have wagered the side bet win if the first two PUNTO or BANCO cards are two picture cards.

**PAYS x12**

**!BONUS!**

If both PUNTO and BANCO first two cards are two picture cards.

**PAYS x100**

Players will win up to x 200 if they have wagered both the Get the Picture PUNTO and BANCO bet!

House advantage : 7%

### Advantages:

- Easy dealer handling
- Simple playing rules.
- 2 betting spots --> more bets --> more excitement.
- player's insurance against a bad hand : turns low value cards into a winning combination on the side bet.
- Renders a traditional game more sexy by adding a bonus.
- Attracts new players to your Punto Banco tables.
